

Standard Business Terms and customer information

I. Standard business terms

§ 1 Basic provisions

(1) The following business terms are applicable to all the contracts, which you conclude with us as a supplier (Falk Maurer-Lackermann) via the www.conversmod.de website. Unless otherwise agreed upon, the inclusion, if necessary, of your own conditions is ruled out.

(2) A 'consumer' in the sense of the following regulations is every natural person who concludes a legal transaction which, to an overwhelming extent, cannot be attributed to either his commercial or independent professional activities. The term 'businessman' refers to every natural person, legal person or legally responsible partnership that concludes a legal transaction in pursuance of his/its independent professional or commercial activity.

§ 2 Conclusion of the contract

(1) The subject-matter of the contract is the selling of products and/ or the provision of repair services .

(2) We sell the product under our own name on behalf of others, i.e. for an external party that owns the product in question. In this regard, we play the role of a partial or total commission agent. In spite of that, we are a contractual partner who enjoys all the respective rights and is subject to all the respective responsibilities.

(3) On placing the product in question on our website, we provide you with a binding offer to conclude a sales agreement subject to the conditions specified in the item description.

(4) The purchase agreement takes place via the online shopping cart system as follows:

The products and/ or repair services intended for purchase are moved to the "shopping cart". You can select the shopping cart using the appropriate buttons on the navigation bar and make changes there at any time.

After calling up the "Checkout" page and entering the required personal data and payment and shipping conditions, all order information is then displayed again on the order summary page.

If you used an instant payment system (e.g. PayPal / PayPal Express, Amazon-Payments, Sofort) to initiate payments, you will either be guided to our online shop on the order summary page or forwarded to the web page of the instant payment provider.

If you are forwarded to the instant payment system, choose and enter your details as appropriate. You will then be returned to the order summary page in our online shop.

Before the order is sent, you can re-check all the data, change it (which can also be done via the internet browser's 'back' function) or cancel the purchase transaction.

By clicking the "Place order in conjunction with a liability to pay" button to submit the order, you declare acceptance of the order in a legally binding way by which the purchase agreement takes place.

(5) You are not bound by your enquiries regarding the creation of an offer that have been conveyed to us. We supply you with a textual and binding offer (e.g. via e-mail), which you can accept within a period of 5 days.

(6) The execution of the order and the sending of all the details necessitated by the conclusion of the contract take place via e-mail, in a partially-automated manner. Consequently, you have to ensure that the e-mail address that you have deposited with us is the correct one, and that the receipt of the respective e-mails is guaranteed. In particular, you have to ensure that the respective e-mails are not blocked by a SPAM filter.

§ 3 Conclusion of the contract for download products

(1) The contract subject matter is the purchase of download products (digital content which is not supplied on a physical data carrier). In conjunction with the setting up of the respective download product on our website, we refer you to a binding offer associated with the conclusion of a purchase contract under the conditions specified in the product description.

(2) The purchase contract is concluded via the online shopping cart system as follows:

The download products to be purchased are placed in the 'shopping cart'. The customer can use the respective button in the navigation bar to call up the 'shopping cart' and make changes at any time. After the 'check-out' page has been called up and the respective personal data and payment conditions have been entered, all the order data are displayed again on the order overview page.

If you used an instant payment system (e.g. PayPal / PayPal Express, Amazon-Payments, Sofort) to receive payments, you will either be guided to our online shop on the order summary page or forwarded to the web page of the instant payment provider.

If you are forwarded to the instant payment system, choose and enter your details as appropriate. You will then be returned to the order summary page in our online shop.

Before the order is sent, you can re-check all the data, change it (which can also be done via the internet browser's 'back' function) or cancel the purchase transaction.

By using the 'Place order in conjunction with a liability to pay' button to send the order, you indicate your legally binding acceptance of the offer, which results in the conclusion of the purchase contract.

(3) You are not bound by your enquiries regarding the creation of an offer. We supply you with a textual and binding offer (e.g. via e-mail), which you can accept within a period of 5 days.

(4) The execution of the order and the sending of all the details necessitated by the conclusion of the contract take place via e-mail, in a partially-automated manner. Consequently, you have to ensure that the e-mail address that you have deposited with us is the correct one, and that the receipt of the respective e-mails is guaranteed. In particular, you have to ensure that the respective e-mails are not blocked by a SPAM filter.

§ 4 Licence to use for download products

(1) The download products that are on offer are copyright-protected. You will receive a simple operating license for every download product purchased from us, unless otherwise specified in the respective quote.

(2) The simple usage licence encompasses permission to save and/or record a copy of the download product on your computer or other

electronic device for personal use.

You are not allowed to make any additional copies. You are explicitly prohibited from changing a file or parts thereof, processing it and making it privately or commercially available to external parties in any manner whatsoever.

§ 5 Individually-designed products

(1) You provide us with the appropriate information, text or data necessary to customise the goods via the online ordering system or via E-mail without undue delay after concluding the contract. Any potential specifications that we may issue regarding file formats are to be borne in mind.

(2) You are obligated to ensure that you do not transfer data whose contents violate the rights of external parties (especially copyrights, rights to names and trademark rights) or break existing laws. You explicitly free us from any and all claims related to this matter that may be raised by external parties. This also applies to the costs associated with any legal representation that may become necessary in this regard.

(3) We do not check the transferred data for textual accuracy. In this respect, we assume no liability for errors.

§ 6 Provision of services in case of repairs

(1) Insofar as repair-related services form the subject-matter of the contract, we are obligated to carry out the repair-related activities that follow from the service description. We shall provide these services in all conscience, either personally or through an external party.

(2) You are obligated to cooperate. In particular, you have to describe the defect affecting the device as extensively as possible and make the defective device available.

(3) You shall have to bear the costs of sending us the defective device.

(4) Insofar as no other period is specified in the respective offer or under the appropriate button, repairs, including assigning the device for shipping, shall be made within 5-7 days following receipt of the device to be mended (however only for advance payment after the time of your payment instruction).

(5) If you exercise your right of termination in accordance with Section 648(1) BGB, we can demand a flat-rate fee of 10% of the agreed fee, if performance has not yet started. However, this only applies to the statutory right of revocation if you first exercise your right of termination after the end of the revocation period. You will bear the burden of proof for demonstrating that we have incurred no or substantially less costs.

§ 7 Right of retention, reservation of proprietary rights

(1) You can only exercise a right of retention if the situation in question involves claims arising from the same contractual relationship.

(2) The goods remain our property until the purchase price is paid in full.

§ 8 Warranty

(1) The statutory warranty rights are applicable.

(2) As a consumer, you are requested to promptly check the product for completeness, visible defects and transport damage as soon as it is delivered, and promptly disclose your complaints to us and the shipping company in writing. Even if you do not comply with this request, it shall have no effect on your legal warranty claims.

§ 9 Choice of law

(1) German law shall apply. This choice of law only applies to customers if it does not result in the revocation of the protection guaranteed by the mandatory provisions of the law of the country in which the respective customer's usual place of residence is located (benefit-of-the-doubt principle).

(2) The provisions of the UN Convention on Contracts for the International Sale of Goods are explicitly inapplicable.
